WELL BEYOND 50

The concept of "wellness" looks very different than it did 10, 20 or 30 years ago. A lot has changed, and you may have, too. We encourage those born before 1972 to join us at Well Beyond 50 and check in on your wellness. If you were healthy back then – are you healthy now?

Take advantage of the following health screenings:

- Blood pressure check
- Cholesterol screening
- Glucose screening
- Hearing test
- Vision screening
- Grip strength and balance assessment
- Posture assessments
- Sleep assessments
- And more

Get one-on-one health consultations with a Baton Rouge General Physicians provider, valuable health education, giveaways and door prizes!
